**Ediberto Romn, Michael A. Olivas : Those Damned Immigrants: Americas Hysteria over Undocumented Immigration (Citizenship and Migration in the Americas)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Those Damned Immigrants: Americas Hysteria over Undocumented

## Immigration (Citizenship and Migration in the Americas):

"This data-driven and massively documented study replaces rhetoric with analysis, myth with fact, and apocalyptic predictions with sane and realizable proposals." -Stanley Fish, Davidson-Kahn Distinguished University Professor, Florida International University

"This outstanding book illuminates the historical, economic, political and even psychological aspects of one of the major civil rights issues of our time. Balanced, thoroughly researched and clear-eyed, this volume is sure to anger and should be read by partisans on both sides of the immigration debate. In a controversy dominated by selective presentation of evidence and oversimplification, Romn brings sorely needed expertise and fair-minded analysis." -Gabriel Chin, University of California Davis School of Law

About the Author Ediberto Romn is Professor of Law at Florida International University. He is the author of *The Other American Colonies: An International and Constitutional Law Examination of the United States Nineteenth and Twentieth Century Island Conquests*, and edits the NYU Press series *Citizenship and Migration in the Americas*. Michael A. Olivas is William B. Bates Distinguished Chair in Law at the University of Houston Law Center and Director of the Institute for Higher Education Law and Governance at UH. His books include *Colored Men And Hombres Aqu: Hernandez v. Texas and the Emergence of Mexican American Lawyering*; *The Law And Higher Education: Cases And Materials on Colleges in Court Third Edition*; and *Education Law Stories* (with Ronna Greff Schneider).
